Death Records Index
Muskingum County, Ohio
Probate Court

The information in this index has been abstracted from the Muskingum County Probate Court death records microfilm.

A copy of the film containing all four books in the series for 1867 thru 1908 is in the MCCOGS genealogy library.

Volume I includes information from books 1, (1867-1876) and 2, (1876-1893). Books 3 and 4 are indexed in Volume II.

This book was made possible by the joint efforts of the following volunteers:

Photo copying from the film (book 2): Doug Kreis
Inputting computers: Nettie Watson, Beverly Hansel & Danielle Bilyeu
Reading and copying book 1 from the film, proof reading, corrections & preparing masters: Neil Ensminger
Combining files, alphabetizing & Laser print-out: Steve Ensminger

Several entries did not have a date shown. A year indicating WHERE it was found was added – with a ?, usually at the left side of the year, to help locate that entry in the original records if you wish to look for it.

When no age is shown it was probably a child who died at birth OR someone who died in the county infirmary.

Some of the original records are next to, or impossible to interpret. We did our best BUT CANNOT GUARANTEE this index to be error free.
